

2016-2017

The Game Swap Website

The Game Swap website was designed for organizations in need of resolving conflicts that arise after the submission deadline.

Submission Deadlines:

Conflicts for Round 2 (10/21 – 12/1) are due: OCT. 11

Conflicts for Round 3 (12/2 – 3/16) are due: NOV. 14

Conflicts for Playoffs*** (3/17-4/20) are due: February 15

(***you risk losing a playoff game for conflicts submitted during this time period.)

We understand plans change (tournaments entered, Worcester Sharks invites, etc.) and the swap site gives you a chance to try and swap time slots with other teams rather than having to forfeit or schedule a game on your own practice ice.

How Do I Propose a Swap?

It's as easy as 1, 2, 3.

1. Go to rink website: www.northstaricesports.com
2. Click League Info tab
3. Go to "Propose Swap" link
Youth League Game Swaps
Propose Game Swaps with Other Teams: [Propose Swap](#)

Simply follow the directions and you're on your way to proposing a swap!

A few pointers to keep in mind!

- Once you submit a swap, you should receive an email from JoAnne (northstarbliss@aol.com) within 24 hours asking League Directors for their approval. If you do not receive this email, please contact me.
- If possible, try to find a game swap that includes another team(s) from your organization.
- I strongly recommend that you review the Conflict Spreadsheet before initiating a swap. This will help you avoid requesting a swap with a team that already has a known conflict.

When Do I Complete a Conflict Forms?

Conflict forms should be submitted by the deadline (see above) to avoid a game being scheduled at a time a team is unavailable.

It should also be submitted, even if a team does NOT have a game conflict. This way you avoid game re-schedules or proposed game swaps when you are unavailable.
